

Prayer for Engaged Couples

*Lord God,
the source of all love,
the wise plan of your providence
has brought us together.
As we prepare ourselves for
the sacrament of marriage
and pray for your grace,
grant that, strengthened by
your blessing
we may grow in respect
for one another
and cherish each other
with a sincere love.*

We ask this through Christ our Lord.

Amen

buffet lunch included

Cost per couple £40

The Luton Deanery Marriage Course

The initial contact with a couple is when they come to book the date and time for their wedding and this is when they are informed about the Deanery Marriage Course.

The course involves four hourly sessions which cover the following topics:

Catholic Teaching on Marriage

Led by a Priest, is entitled the 'Ideal of Christian Marriage' which explains the teaching of the Catholic Church on marriage.

Psychology of Relationships

This deals with the psychology of relationships and the marital stages – romance, reality, power struggle, finding oneself, reconciliation and mutual love and respect.

Ongoing Communication within Relationships

Led by an experienced married couple who deal with how couples needs to look at how they are leading their lives together, the choices they are making, their attitudes to each other, their frustrations, and their joys. The vital importance of on-going communication and they are taught some important golden rules about dealing with arguments.

Children in Marriage

A general discussion that deals with married love and in particular information about natural methods of family planning.

There is a priest present to explain what the Church requires and the legal requirements of the State, together with practical advice. There is an opportunity provided at the conclusion of each session for individual couples to seek his advice regarding any matter or problem that is of concern to them.

All in all, the aim is to give couples a pretty thorough preparation for their future lives together. The course is designed to highlight the pitfalls of misunderstanding or differences that can lead to marital breakdown, for example, whether having children has received sufficient discussion prior to marriage and the expectation that children will be raised in the Faith of the Catholic Church.

A Certificate of Attendance will be issued at the end of the course.
